December 10, 2008, Colorado Springs, CO...The Garden of the Gods Club shimmered with light snow and glistening lights on Wednesday, December 4 during the Child Nursery Centers' Legacy & Vision Women's Giving Circle Holiday Gala. Twenty members, spouses and guests enjoyed the party that was generously underwritten by L&V member Mimi Cavanaugh. The philanthropic group celebrated its 2008 achievements, including raising upwards of \$40,000 to help CNC continue its mission of providing comprehensive, high quality early care and education for **ALL** children.

L&V Chair Paula Munger congratulated Diane Bell, Mary Alice Hall, Judy Bell, and Stephanie Waltman for becoming members in 2008. Munger thanked the group for donating 50 books to CNC, while Pam Marsh, whose family has been long-associated with CNC, was recognized for giving a tour of her beautiful Old North End historic home earlier in the year.

Child Nursery Centers' Chief Executive Officer Diane Price followed with a review of CNC's 2008 activities and news about upcoming projects for the 111-year-old nonprofit. She said installation of a half million dollar slate roof will begin in mid-December on the Historic Day Nursery located at Tejon and Rio Grande Streets.

Diane and Mike Bell, Sandi and Tom Yukman, Jan Weiland and Alan Gregory, Gail and Bill Blount, Stephanie and Clint Waltman, Chris Tessarowicz, Kathy and Dalton Conner, Joan and Steve Mullens, Cheryl and Gerry Tolley, Dave and Paula Munger attended the gala.

The Legacy & Vision Women's Giving Circle was established in 2000 to mark the new millennium with a unique way for women to support the children and families associated with the Child Nursery Centers. Current membership is approaching 30 women who work to advance CNC's mission, have fun, and celebrate their common philanthropic bond. To learn more contact CNC's Vice President of Development Adele Faber at 632-1754 x23.
